1	6/22/14	Jul/8/2018	Cheese	Hokkaido is one of Japan's most famous food kingdoms, with an abundance of food from both the sea and the mountains. The evolution of Hokkaido's food ingredients knows no bounds. Kosei Ueno, editor-in-chief of the popular gourmet magazine "dancyu," takes a close look at the appeal of such Hokkaido ingredients. He and his assistant, announcer Mori, will share the current state of Hokkaido's food ingredients in order to create "dancyu Hokkaido," a gourmet's magazine. The theme of this episode is cheese. Editor-in-Chief Ueno, who has eaten cheese from all over the world, asserts that "Hokkaido's cheese is on a world-class level. He is guided by HBC anchorperson Mori to a cheese factory in the factory district of Sapporo City.
2	7/27/14	Jul/13/2018	Egg	The theme of the second episode is a poultry farm. Here, chickens are raised using the "flat-feeding" method, in which they are allowed to move around freely in the coop. Editor-in-Chief Ueno tasted a raw egg born from such chickens by slurping it from a plate. According to Mr. Ueno, this is the best way to taste the raw egg. Next, he tasted the egg on rice. The producer's recommended way of eating rice with egg is slightly different from the usual way of eating rice with egg. The egg white and yolk are separated. The egg white is added to the rice first, and after the egg white and rice are blended, the egg yolk is added. Editor-in-Chief Ueno said, "Rice with egg sauce. There is no other egg-cooked rice that has such a sense of unity between rice and egg," he exclaims.
3	8/17/14	Jul/22/2018	Sea urchin	Mr. Ueno, editor-in-chief of the popular gourmet magazine "dancyu," explores the evolving appeal of Hokkaido's foodstuffs. The theme of the third episode is sea urchin. Editor-in-Chief Ueno, a sea urchin lover, says, "The deliciousness of sea urchin lies in the condensation of the sea. The final umami taste that human beings ultimately end up with is sea urchin", he asserts. Announcer Mori took Editor-in-Chief Ueno to Yoichi Town. The town is known for its fruits and whiskey, but at this time of the year, sea urchin is at its best.
4	9/28/14	Jul/22/2018	Fish Paste	Editor-in-Chief Ueno of the popular gourmet magazine "dancyu" and announcer Mori will report on the current state of Hokkaido food ingredients. The theme of episode 4 is fish paste. The editor-in-chief, who has never tried Hokkaido's kamaboko, visits a long-established kamaboko store in Otaru, which has been in business for over 100 years, to learn more about the depth of fish paste.
